Subject: Clean copy of MOA with tribal language
Attachments: Draft - FL EPA MOA 3 - CleanCopy.docx

Hi, Megan, Heather –

Attached is a clean copy of the MOA with the language re: tribes included. The one tweak is in paragraph III.1, which now reads, “EPA will continue to directly implement its authority for the Section 404 program in Indian country...” rather than “The EPA will continue to directly implement the program in Indian country” because EPA isn’t the only party with a role there.
